

# CORVALLIS HIGH SCHOOL

## 2019-2020 School Profile

### School and Community

Corvallis, a medium-sized city located in Oregon's Willamette Valley, is home to Oregon State University. Our proximity to O.S.U. allows for diverse partnerships and opportunities for our students. The community has a large number of high-tech employers including Hewlett-Packard and international engineering firm CH2M-Hill. Corvallis High School is a four year comprehensive high school and is accredited by the Northwest Accreditation Commission. Our staff invests in 1231 students with diverse learning interests. C.H.S has a challenging and robust academic curriculum along with a diverse offering of electives, sports, and clubs. Our overarching goal is to inspire and encourage all of our students to develop themselves through curiosity, gratitude, and tenacity. As educators we know that high school is a very brief but crucial time in one's life and we strive to create meaningful experiences that teach our students to:

1. Practice empathy
2. Take personal responsibility
3. Be resilient
