IMPORTANT: Any year long class with a 1 or 2 credit value will need to be entered in two(2) parts in RegiSTAR. For example, Contemporary Literature will require the entry of "Contemporary Lit. A" \& "Contemporary Lit. B".

- Your course selections will need to add up to 7 credits.
- Review the online course catalog for detailed course descriptions and prerequisites.
- Select courses based on graduation requirements and your post-secondary plans. If you plan to attend a four-year university, check the entrance requirements! Many classes at CHS help prepare you for trade, career, and college pathways.
